

# Steven Qi-Gal

Steven Qi-Gal is a new (*sexy*) incarnation of Wu-Feng! He can only be used with the White Moon expansion (*with or without Black Secret*).

Resistance: 3 (*white*)

Steven is a being of exceptional purity: only the color white can affect him. The Taoists therefore only benefit from the white sides of the Tao dice, the weakening mantra and Moon crystals when attempting to exorcise him.

Ability (*Left Stone*)

*Steven cannot help but be magnanimous...*

When he enters play, the Taoists can save a Villager, following the normal rules.

Ability (*Right Stone*)

*Steven is an illuminated entity...*

When Steven is exorcised, he is replaced with a Buddha (taken from the Buddhist Temple if that tile is in play, otherwise taken from the box). If the 2 Buddhas are already in play, move one to the space previously occupied by Steven.
